UNIL | Université de Lausanne
Faculté de biologie et de médecine

unisanté Centre universitaire de médecine générale et santé publique · Lausanne

UNIL is a leading international teaching and research institution, with over 5,000 employees and 15,500 students split between its Dorigny campus, CHUV and Epalinges. UNIL encourages excellence, individual recognition and responsibility. The Faculty of Biology and Medicine (FBM) and Unisanté invite applications for the post of:

Senior Physician in Occupational Medicine
with a Full Professor or Associate Professor title

Starting date: to be agreed

Place: Lausanne, Switzerland

The successful candidate will be responsible for the academic activities of the Unisanté Occupational Health and Environment Department in the field of occupational medicine. She·He will stimulate and develop competitive research, supervise clinical activity and occupational medicine training within the Department, actively participate in the promotion of occupational health and manage her·his unit.

The ideal candidate is an experienced occupational physician with an academic track record in intervention strategies and prevention of work-related diseases. She·He has a good knowledge of psychosocial and/or organisational work factors. An enthusiastic communicator, she·he is able to teach his discipline and interact proactively with institutional and field actors in her·his field. She·He has in particular:

- An MD, with an FMH in occupational medicine,
- Solid experience in the field of occupational health,
- A background in psychosocial and/or organizational work factors,
- Teaching experience,
- A good knowledge of French or the ability to acquire quickly,
- A good knowledge of English,
- A proven ability to work in an interdisciplinary context.

Academic rank will depend on the candidate's experience and achievements.

Further information may be obtained from Prof. Jacques Cornuz (Jacques.Cornuz@unisante.ch), General Director of Unisanté.

Applications, in English, will include a motivation letter, a curriculum vitae, a copy of the five most relevant publications, as well as names and contact information of three referees, a brief statement of research interests and teaching experience and a copy of diplomas. They should be submitted online by **February 23rd 2020 (23:59 GMT+1)** to wwwfbm.unil.ch/releve/application/ as a single PDF file.

The job description is available on the same link (or QR code).

We offer a pleasant working atmosphere in a multicultural, diverse and dynamic academic environment. There are possibilities for continuing professional education and a multitude of activities and other benefits to discover.

UNIL is committed to promoting gender equality and diversity and strongly encourages applications from female candidates. www.unil.ch/egalite
