

# CHAPLAINCY

## Spring Semester 2017

## Welcome

The Chaplaincy is a joint ecumenical service of UNIL, EPFL, and the catholic and protestant churches of the canton Vaud.

The chaplains are available for the university community in its entirety: believers of different religious traditions, free thinkers, atheists, students, staff members and professors alike.

The chaplains ensure a spiritual presence based on the Judeo-Christian tradition and offer various activities which stimulate dialogue, reflection, meeting together, and action, while respecting one another's convictions.

Also offering time to listen, the chaplains are available for personalised support, adapted to the needs of anyone who so desires.
