

UNIL is a leading international teaching and research institution, with over 5,000 employees and 15,500 students split between its Dorigny campus, CHUV and Epalinges. UNIL and CHUV encourage excellence, individual recognition and responsibility. The Faculty of Biology and Medicine ([FBM](#)) and the Lausanne University Hospital ([CHUV](#)) are inviting applications for a position of:

Senior Physician and Professor in dermato-pathology at the Division of Dermatology and Venerology

Starting date: To be agreed

Place: Lausanne, Switzerland

The successful candidate will be in charge of the laboratory of dermatopathology, and will assume, under the responsibility of the Division Head, teaching, research and clinical duties in dermatology. [The Division of Dermatology and Venerology](#) provides services in clinical and laboratory dermatology and venerology for the CHUV and external medical institutions and is part of the Department of Medicine.

The Division offers a rich academic environment, strong links with fundamental sciences and clinical Departments, a state-of-the-art research facility and numerous opportunities for interdisciplinary collaborations with world-class experts in pathology and genetics.

Desired profile:

- MD or MD-PhD degree
- Certification in dermatology and venereology (FMH or Mebeko equivalent)
- Training in dermatopathology (European or swiss certificate of competence) and extensive experience in cutaneous pathology (>5 years)
- Experience in molecular and digital dermatopathology
- Academic knowledge of professorial rank with proven practice in post-graduate and pre-graduate teaching
- Internationally recognized and externally funded research program
- Good knowledge of French or ability to acquire it quickly

Further information may be obtained from Prof. Michel Gilliet (michel.gilliet@chuv.ch), Head of the Division of Dermatology and Venereology.

Applications should be in English, and include a motivation letter, a curriculum vitae, a copy of the five most relevant publications, names and contact information of three referees, a brief statement of research interests and teaching experience as well as copies of all diplomas. They should be submitted online by **September 13th 2020 (23:59 GMT+1)** to www.fbm.unil.ch/releve/application/ as a single PDF file.

The job description is available on [the same link](#) (or QR code).

We offer a pleasant working atmosphere in a multicultural, diverse and dynamic academic environment. There are possibilities for continuing professional education and a multitude of activities and other benefits to discover.

UNIL and CHUV are committed to promoting gender equality and diversity and strongly encourage applications from female candidates. www.unil.ch/egalite
