2007

Biomedical Imaging

CHUV, February 1st, 2007
Auditorium César Roux

Poster Prizes Ceremony

The Technology Poster Prize is awarded to:

Erika Ercolini

For her poster entitled:

***"DNA in Motion Imaged by
Atomic Force Microscopy
in Aqueous Buffer"***

Dr Sc. Jovan Mirkovitch
Research Manager
Faculty of Biology & Medicine

CHUV, February 1st, 2007
Auditorium César Roux

Poster Prizes Ceremony

The Didatic Poster Prize is awarded to both:

Sélène Ferrari & Alix Coste

For their posters entitled:

***"High Diversity of CgPDR1 Mutations Involved
in Azole Resistance of C. glabrata "***

***"Design of a one-hybrid system for assessment
cis- and trans-acting factors involved in the regulation
of a drug resistance gene (CDR2)
in the human pathogen Candida albicans"***

Dr Sc. Jovan Mirkovitch
Research Manager
Faculty of Biology & Medicine

Auditorium César Roux

Poster Prizes Ceremony

The Presentation Poster Prize is awarded to:

Laura De Santis

For her poster entitled:

*"Getting in Touch: Partially Segregated Somatosensory
'What' and 'Where' Pathways in Humans Revealed
by Electrical Neuroimaging"*

Dr Sc. Jovan Mirkovitch
Research Manager
Faculty of Biology & Medicine

Poster Prizes Ceremony

The Translational Poster Prize is awarded to:

Roland Meier

For his poster entitled:

***«CXCR4 Enhances Aggressive Behavior
of Neuroblastoma»***

Dr Sc. Jovan Mirkovitch
Research Manager
Faculty of Biology & Medicine

CHUV, February 1st, 2007
Auditorium César Roux

Poster Prizes Ceremony

The Clinical Poster Prize is awarded to:

Aline Frioud

For her poster entitled:

*"Blood Glucose Levels at Postoperative Day 1 Constitute
an Independent Predictive Factor for Adverse Outcomes
Following Cardiovascular Surgery "*

Dr Sc. Jovan Mirkovitch
Research Manager
Faculty of Biology & Medicine

Poster Prizes Ceremony

The Scientific Poster Prize is awarded to:

Céline Guérin

For her poster entitled:

*"Expression of aquaporins upon differentiation
of embryonic neural stem cells into astrocytes
and catecholaminergic neurons"*

Dr Sc. Jovan Mirkovitch
Research Manager
Faculty of Biology & Medicine
