

BRAIN & COGNITION SEMINARS

January – February – March 2012

Tuesday	10 January	Alpine Brain Imaging Meeting (Champéry)
Tuesday	17 January	Jérôme Daltrozzo CNRS UMR5292 - INSERM U1028, Lyon Neuroscience Research Center, Auditory Cognition and Psychoacoustics Team <i>"Le traitement conceptuel. Influence de l'attention et de la nature verbale ou non verbale du concept."</i>
Tuesday	24 January	Karin Pil Laboratory of Psychophysics, Brain Mind Institute, School of Life Science, école Polytechnique Fédérale de Lausanne, Switzerland <i>"Aging and visual motion perception"</i>
Tuesday	31 January	Dean Mobbs Medical Research Council, Cognition and Brain Sciences Unit, 15 Chaucer Road, Cambridge, CB2 7EF, UK <i>"Fear, survival intelligence and the nervous system"</i>
Tuesday	7 February	Andrews Tim Department of Psychology, University of York, York, YO10 5DD, UK <i>"The Neural Basis of Face Recognition"</i>
Tuesday	14 February	HOLIDAYS
Tuesday	21 February	Catherine Harmer University Department of Psychiatry, Warneford Hospital, Oxford, UK <i>"The cognitive neuroscience of antidepressant drug action"</i>
Tuesday	28 February	Fotopoulou A Institute of Psychiatry, King's College London, UK; Institute of Cognitive Neuroscience, University College London, UK. <i>"Body Unawareness in Stroke: From Experiments to Restoration"</i>
Tuesday	6 March	Vasily Klucharev Donders Institute for Brain, Cognition, and Behaviour, Radboud University Nijmegen, NL-6500 HB Nijmegen, The Netherlands <i>"Neural Mechanisms of Social Conformity"</i>
Tuesday	13 March	Semaine du Cerveau, University of Geneva
Tuesday	20 March	Michiel van Elk Laboratory of Cognitive Neuroscience, Brain Mind Institute, École Polytechnique Fédérale de Lausanne <i>"Embodied Action, Perception & Cognition: Evidence from tool use studies"</i>
Tuesday	27 March	Viktor Jirsa Theoretical Neuroscience Group, UMR6233, Institut Science du Mouvement, University of the Mediterranean, Marseille, France <i>"The Virtual Brain, a way of thinking of large-scale brain dynamics"</i>

Les colloques ont lieu les MARDIS de 12h00 à 13h00 à la Bibliothèque de Neurologie
Hôpital Universitaire de Genève, 2^{ème} étage, Bâtiment d'appui, aile Jura, Salles 744-745
