Signature			
Date			

The participation form together with the corresponding mini-symposium program (and the participation attestation) must be submitted by the doctoral student to the coordinator of his or her doctoral program (e.g. to Ulrike.toepel@unil.ch for CVM-PhD candidates; to PhDthesis@unil.ch for candidates in Life Sciences).

- by the end of the first year
- at the latest four weeks before the deposit of the thesis folder for the final exam (for the final validation of the required 12 ECTS credits)
