

**In the context
of your work
or studies at the**

**UNIVERS
of Lausanne**

You are affected by discrimination based on sex, sexual orientation, gender identity, or any other discrimination?

You are looking for the best balance with your family life?

You would like, as a woman, to progress in your career?

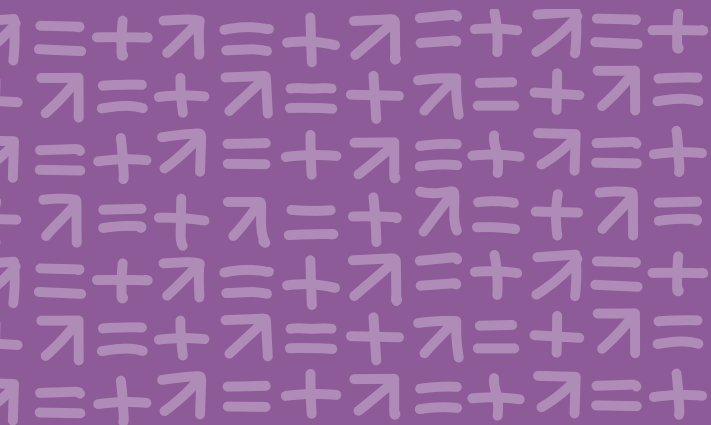

You wish to use inclusive writing and communication?

You aim to recruit the best people, preventing gender bias from interfering in the process?

Bureau de l'égalité

Equality at the University

The policy for the promotion of equality at UNIL and the mission of the Equal Opportunities Office are detailed in the Directive of the Rectorate 0.2 « Promotion de l'égalité à l'Université de Lausanne. »

The University of Lausanne develops an action plan for equality, and so does each faculty.

The Equal Opportunities Office conducts equality monitoring at the University, which is available online and in hard copy.

The Equal Opportunities Office

promotes

EQUALITY

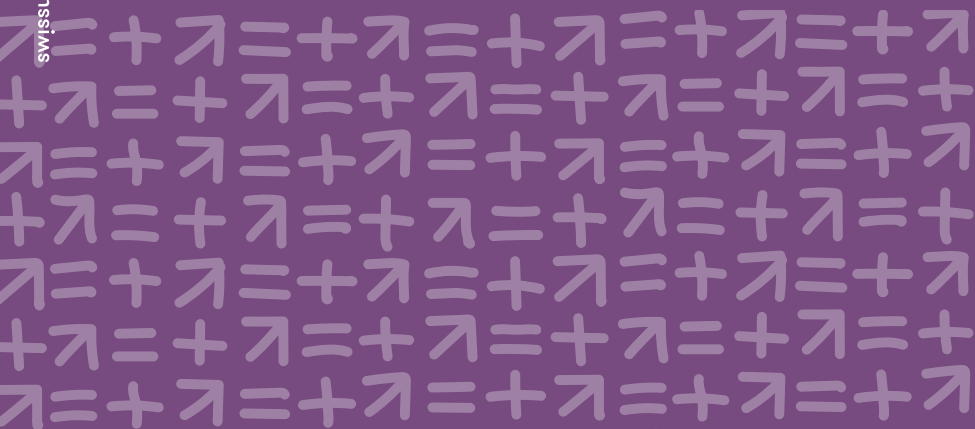

and offers

advice and information on any issue
related to equality, in particular in cases
of discrimination and in relation
to work–family–studies balance,

career support programmes and training
workshops for women,

financial support for parents
and for female researchers,

awareness events and training to
enable men and women to develop
their equality skills (inclusive
communication, equality in recruitment
and team management, etc.).
