### **Information about bringing back credits for the BA and MA programs.**

For the **BA** in English you can validate 30 ECTS, and overall per year a maximum of 60 ECTS. It is possible to validate written, oral exams and the *essai approfondi* with these credits.

In addition to the above credit points, you can earn 20 ECTS at the host university that go into our options program. All 20 ECTS can be in English.

The minimum credit points to apply for an exchange at a host university is 15 ECTS.

For the **MA** in English you can earn 20 ECTS. These also can validate MA modules with a written or oral exam in our study plan. However, the module “Critical Approaches” cannot be validated with host university credits.

In addition to the above, you can validate 10 ECTS that go into our English program of *renforcement*.

The minimum credit points to apply for an exchange at a host university is 15 ECTS.
