orthographe et ponctuation

descripteurs 1-2

<p>l'orthographe est globalement correcte, même si quelques erreurs peuvent se produire occasionnellement</p>	<p>From the initial stage of the narrative structure of the text, Wringhim demonstrates his fascination and his growing dependence on Gil-Martin, who is constantly degrading him, and thereby explains his gradual loss of autonomy. The terminology used by Hogg via his narrator portrays a man in a state of manifest inferiority. From the outset, he fully perceives his mentor as his superior at any point. 'When he refers to him he uses reverential titles such as "prince," "sovereign," or "eminence" (p. 92-93), which proves his devotion and his relationship of subordination.</p>	<p>☒ ☒ ☒</p>
