

Amandine Garde is Professor of Law at the University of Liverpool. She has a specific research expertise in the legal aspects of obesity prevention and other non-communicable diseases (NCD) risk factors. She is the founder and director of the Law & NCD Unit, and she regularly advises international organisations, NGOs, public health agencies and governments worldwide on the use of law to prevent NCDs. She is Editor of Elgar's new series *Health and the Law* and a Senior Editor of the *European Journal of Risk Regulation*. She is also a qualified solicitor.
