

Consult course material from teaching staff on MyUNIL

Procedure to consult course material uploaded for students on MyUNIL

This procedure is only for teaching staff with an UNIL account. If you do not have this and you would like to use these applications, please contact the School of Biology.

- Go to the University of Lausanne's website www.unil.ch
- Select "Campus life" / "Campus pratique" (at the top)
- To the right of the page, under "Accès à", click on "MyUNIL"

Vous êtes...

Membre de l'UNIL

- Then click on
- Write your username and password, then "Connexion" / "Log in"

- Select the icon "Cours" (Course) Cours (top right)
- Under "Documents de cours" (course material), you can search either by class name (nom de l'enseignement), or by teacher name (nom de l'enseignant) as well as with key words (mots-clés) linked to the courses

This search tool was set up in the MyUNIL portal for teaching staff to be able to consult course material made available to students in order to improve coordination between different classes in the School of Biology's curriculum.

ATTENTION: any member of teaching staff who uses an element of a colleague's material (slide, diagram, etc.) must respect copyright by informing the member of teaching staff in question and citing the source.
