

EuTEACH Summer School - Comments from previous participants

Participants in the basic course (2010)

- It was very useful to have the opportunity to pass this course. I have learnt many new approaches, skills, tools, how to teach (theoretical and practical as well).
- I feel happy at the end of the day.
- I don't think you can do it much better than it already is!
- Great location and lecture rooms. Fantastic organization, teachers and facilitators.
- Everything works perfect! Sorry I cannot help you to improve.
- Organization: GREAT! Content: very interesting, no negative comments.
- I think the advanced course model is fantastic, may take too many resources but really worthwhile from a student's point of view.
- All works well.
