

Transition grants

Reports

UNIL | Université de Lausanne

Faculté de biologie et de médecine
Commission EDI
Égalité, diversité et inclusion

3 reports are required

- 1. After 4 months:** a brief report to ensure that the project takes off with a good start according to the template below: (2 pages maximum, font size ≥ 9)
 - Did the project start as was foreseen? If not, why?
 - Did you encounter any administrative or other problems? If yes, have they been solved?
 - Did you encounter any technical problems? If so, which ones and how were they solved?
 - The time and resources dedicated to research activities are the same as in the original project description?
 - Your comments and general evaluation of this first period of the grant
- 2. After 12 months :** an intermediary scientific and financial report (2 pages maximum, font ≥ 9).

Provide a brief description of the progress of the research project. Has the grant been mentioned at meetings, conferences, in publications, media, flyers, etc.? Briefly describe how the funding has been used to date (budget). Add your comments and overall evaluation of this year of the grant period.
- 3. After 24 months:** a final report (4 pages maximum, font ≥ 9).

Provide a summary of the research results obtained during whole period of the grant. Has the grant been mentioned at meetings, conferences, in publications, media, flyers, etc.? Include the final budget for the grant in a table format. Did the grant help you advance in your academic career? Other comments?
