1. Read the [Regulations](#) of this program.
2. This program has 120 credits.
3. Module 1 is a common track including the refresher course Ecology and Evolution (6 ECTS).
4. Module 2 offers a range of courses:
 - you must attend the compulsory courses (12 ECTS) recognized for the BEE.
 - you must choose 12 ECTS from the BEE elective courses including 3 ECTS among the FBM (Faculty of Biology & Medicine) courses.
 - you must choose 36 ECTS from the general elective courses.
5. Module 3 consists of your Master thesis.
6. In addition, 6 ECTS may be taken in courses of other Masters' programs not covered by this study plan. However, doing that requires the approval of the MScE Director.
7. Registration for the 3rd and subsequent semester examinations is only allowed if the student has fully met the requirements for obtaining the ECTS credits of module 1 corresponding to the compulsory series of examinations of the first semester.
8. For those taking FBM courses, you can find the Moodles of the FBM courses (if any) at moodle.unil.ch
For the Biology School, you have to register for the courses/exams BEFORE OCTOBER 17, 2021 via biologie-etudiants@unil.ch.
BE CAREFUL, some courses have limited attendance...Don't wait up!

Due to the health evolution linked to COVID-19, the study plans may undergo the following adaptations during the semester:

* possibility to switch from one teaching mode to another (face-to-face <-> distance learning, synchronous <-> asynchronous, switch to co-modal teaching where it was not foreseen at the beginning).

* adaptation of assessment methods, without leading to derogations from the study regulations (oral <-> written, examination <-> validation, individual work <-> group work, practical work <-> theoretical work, in-person assessment <-> online assessment, etc.)

* alternative or shifted modalities for courses, internships, practical work, fieldwork and camps that could not take place or courses that could no longer take place in the form initially planned.

Students are invited to consult regularly the study plans, syllabi and their email.
