Join our international PhD program in QUANTITATIVE BIOLOGY, University of Lausanne, Switzerland.

Develop your research working in a world-class, interdisciplinary and highly collaborative environment.

More than 15 fully funded positions available!

AREAS
Computational Biology - Gene Regulation
Oncology - Microbiology - Evolution
Population Genetics - Epigenetics and Chromatin Biology - Plant Biology Development

RECRUITING PRINCIPAL INVESTIGATORS
Amati, Bergmann, Ciriello, Fankhauser, Gambetta, Goudet, Greub, Kuonen, Kutalik, Reymond, Robinson-Rechavi, Vjestica

Application deadline: October 15th 2022
