

*UNIL is a leading international teaching and research institution, with over 5,000 employees and 15,500 students split between its Dorigny campus, CHUV and Epalinges. UNIL and CHUV encourage excellence, individual recognition and responsibility.*

The Faculty of Biology and Medicine ([FBM](#)) and the Lausanne University Hospital ([CHUV](#)) are inviting applications for a position of:

**Senior Lecturer (MER2)**  
**at the Institute for Higher Education and Research in Health Care – IUFRS**

Starting date: to be agreed

Place: Lausanne, Switzerland

Excellence in health care education and research constitutes the core mission of [IUFRS](#). In its areas of expertise – nursing and health sciences – the Institute offers state of the art education at master's and doctoral level and conducts internationally renowned research. Thereby, it aims at training and developing nursing talent at university-level that is well prepared for key roles in practice, education and research. In all its endeavors, IUFRS puts safety and quality of care for patients, families and relatives center stage and assumes evidence-based nursing practice and scientific rigor as foundational principles.

The successful candidate will be mainly active in IUFRS' Master of Science in Advanced Nursing Practice program and collaborate closely with the vice-director of education. To continue carrying out this mission effectively, the Institute is looking for an expert in advanced nursing practice with **the following profile:**

- PhD in Nursing Science or Doctor in Nursing Practice (DNP) or equivalent
- Education and sound clinical experience as nurse practitioner
- Experience in clinical supervision and student assessment
- Experience and strong interest in teaching and post-graduate training
- Strong interest in interprofessional collaboration
- Proficiency in French (level at least B2, C1 ideally) or ability to acquire it quickly
- Excellent proficiency in English.

Further information may be obtained from Prof. Manuela Eicher ([manuela.eicher@chuv.ch](mailto:manuela.eicher@chuv.ch)), Director of IUFRS.

Applications, in English, will include a motivation letter, a curriculum vitae, a copy of the five most relevant publications, as well as names and contact information of three referees, a brief statement of research interests and teaching experience and a copy of diplomas.

They should be submitted online by **March 31<sup>st</sup>, 2022 (23:59 GMT+1)** to [www.fbm.unil.ch/releve/application/](http://www.fbm.unil.ch/releve/application/) as a single PDF file.

The job description is available on [the same link](#) (or QR code).

We offer a pleasant working atmosphere in a multicultural, diverse and dynamic academic environment. There are possibilities for continuing professional education and a multitude of activities and other benefits to discover.

*UNIL and CHUV are committed to promoting gender equality and diversity and strongly encourage applications from female candidates. [www.unil.ch/egalite](http://www.unil.ch/egalite)*
