CALL FOR PAPERS

2018 Annual Conference of the EUROPEAN GROUP FOR PUBLIC ADMINISTRATION

LAUSANNE | SWITZERLAND | 5-7 SEPTEMBER 2018
PhD SYMPOSIUM | 3-4 SEPTEMBER 2018
Context and general objective of PSG XVI

The general aim of EGPA Permanent Study Group on Public Marketing (PSG XVI) is to gather European academics writing on marketing & communication in public sector. It focuses on the analysis of marketing strategies and tools adapted by public organisations and more widely by public policies. It also focuses on researches to improve the understanding of customers/citizens behaviors (expectations, attitudes, acceptability, satisfaction ...). Practitioners are also kindly invited to submit case studies on this special session.

Objectives of the 8th edition: PSG XVI 2018

A special topic of Place Branding and Public Branding is emerging in public administration and local authorities. It will be at the heart of 2018 Conference. This special issue is developed by the Chair of « New Place Marketing and attractiveness» of IMPGT (Public Management Institute and Territorial Governance) at Aix-Marseille University and IDHEAP at University of Lausanne. A new topic is clearly linked to public marketing: Digital Communication. Practices of communication are evolving in public sector as described by Pasquier & Villeneuve (2011).

This study group encompasses the 3 main marketing approaches adapted to the context of public sector with their implications on public communication:

- **Place marketing & communication**: Attractiveness of places and place branding. According to a large definition of place marketing which aims at attracting and also maintaining target groups within a place (Chamard, Alaux & Gayet, 2014):

- **Marketisation & communication of public service**: Quality of service and public branding: quality approaches, satisfaction and perceived quality, customer/citizen analysis.

- **Social Marketing & advertising**: Pro social behaviors & social advertising: pro environmental and healthy behaviors, Marketing of public policies, CBSM, Nudges, Citizen behavior and psychology, how to attract and maintain place marketing targets with a good quality of life.
