Modularising Multilingual and Multicultural Academic Communication Competence for BA and MA level

MAGICC CONSULTATION INTERVIEW – FACULTIES

The purpose of the interview is to survey the opinions and experiences of the interviewees regarding the kinds of language and communication related skills and competences that are needed in today's internationalised, multilingual and multicultural contexts, including academic study, professional career development, and workplaces. Your answers are extremely valuable for directing and updating higher education programmes in Europe.

This gives you the possibility to have an impact on how multilingual and multicultural academic communication skills could and should be developed in higher education in order to provide a good basis for successful study and future careers.

The interviews are conducted at the nine partner institutions of the MAGICC project.
